About Me

With a decade of experience in digital design, I breathe life into ideas through the power of design, art, and vision. Fueled by a love for exploration, research, and creation, I find immense satisfaction in turning concepts into impactful visual experiences.

Work Experience

Freelance

Graphic Designer | 2018 - Present

I am a versatile graphic designer with a decade of experience crafting impactful visuals for various clients across diverse fields like marketing, branding, UX/UI, motion, and print.

Reshet.tv

Digital Designer | 2021 - 2023

At Reshet, I created motion graphics for TV shows and also developed digital assets for their marketing unit.

YKEY - House Of Digital

Lead Digital Designer | 2022

I craft compelling visual content for social media, specializing in bringing the visions of real estate and tourism companies to life across their platforms.

Investing.com

Digital Designer | 2020 - 2022

I led the design of all digital assets, including social media and web visuals, driving the company's marketing efforts towards their full potential.
